## OUR CULTURE MAKES COLORADO A GREAT PLACE TO LIVE, WORK AND PLAY

Cultural institutions throughout the Denver metro area receive support and funding via the SCFD. This creates a rich, robust landscape of cultural opportunities for our children and our neighbors. One penny on every \$10 purchase within the seven-county region (Adams, Arapahoe, Boulder, Broomfield, Denver, Douglas and Jefferson counties) is distributed via the SCFD. Since its inception in 1989, the SCFD has served a mission that enlightens and entertains the public. Annually distributing approximately \$40 million, the Denver metro has been elevated to a world-class cultural center through the funding the SCFD provides to cultural organizations of all sizes and disciplines.
