# Denver County Funding Criteria

## General Operation Support (GOS)

Denver County Cultural Council (DCCC) only accepts grant applications for general operating support.

Recipients must be committed to benefitting the broad diversity of Denver tax-paying residents. Organizations should show how they address the values articulated in the DCCC's Core Values Document, including supporting the implementation of IMAGINE 2020, Denver's Cultural Plan by referring to the plan's seven vision elements and how these are reflected in their mission, programming and initiatives. <http://artsandvenuesdenver.com/imagine-2020-creating-a-future-for-denvers-culture/>.

Grant applications will be evaluated based on the information submitted to the Denver County Cultural Council. Failure to meet minimum requirements will disqualify the application. **Available SCFD funding, total overall requests, and assigned scores are used to determine individual awards.**

Minimum Requirements for GOS funding in Denver County:

- Denver County applicants may submit only one general operating support grant per organization by the deadline.
- Requests for general operating support must be for a minimum of \$500 and cannot exceed \$85,000. Requests may not be for more than 15% of the organization's prior year expenses or revenues, whichever is less, except in cases in which the request is to meet the minimum of \$500. At the discretion of the Council, awards may exceed the request limits.

To qualify for funding, **51%** of an organization's activities must take place within the boundaries of the City and County of Denver. ACTIVITIES are events open to the public as defined by SCFD's application directions.

If you have any questions regarding your organization's activities, please contact [scfd@scfd.org](mailto:scfd@scfd.org) or 303-860-0588.

**The DCCC may ask for additional information from an organization to clarify the nature and number of activities reported to ensure compliance with the Denver City Council's Majority of Activities rule.**

**Discretionary Funding** – Organization Development and Innovative Collaboration grants are available to eligible organizations through a separate application process. Please visit <http://artsandvenuesdenver.com/> for guidelines and application form.

### Interviews:

DCCC interview sessions are held each spring from the beginning of April through June. Applicants will have an opportunity to address the Council and respond to questions about the application and their organizations. Interviews are highly recommended but are not mandatory. Interviews will be scheduled by Denver Arts & Venues and organizations will be notified of the scheduled date and location. For more information on the interview schedule, please visit <http://artsandvenuesdenver.com/> or contact Patricia Abraham Muhammad at [Patricia.AbrahamMuhammad@denvergov.org](mailto:Patricia.AbrahamMuhammad@denvergov.org)

**Evaluation Process:**

Scoring of organizations is based on the Denver County Cultural Council's **Core Values Document**, and whether the proposal adheres to DCCC guidelines. All organizations must demonstrate the ability to responsibly administer SCFD grant monies if awarded funds. In addition, please keep in mind that the SCFD and grant recipients are accountable to tax-paying residents of the district. Therefore, the DCCC is most interested in understanding how all residents of Denver have access to an organization's programs and how the organization supports IMAGINE 2020, Denver's Cultural Plan url: <http://artsandvenuesdenver.com/imagine-2020-creating-a-future-for-denvers-culture/>. Submitting a grant application does not guarantee funding.

General Operating Support is an unrestricted grant that helps the organization achieve its mission. The DCCC evaluates how the organization, as a whole, serves the residents of Denver County based upon the **Core Values Document**.
