

JEFFERSON COUNTY VARIANCE TO SAFER-AT-HOME AND IN THE VAST, GREAT OUTDOORS

The Colorado Department of Public Health and Environment (CDPHE) approved Jefferson County's request for a variance to the statewide [Safer-at-Home and in the Vast, Great Outdoors](#) public health order with modifications effective June 7, 2020. That means in Jefferson County, public health requirements are different than the state for several industries and topics. For industries and topics not addressed in the local variance, residents and the business community must continue to follow the state's public health order.

What is different in Jeffco?

Gatherings (weddings, funerals, etc.)

Indoor settings can have up to 50% occupancy or 50 people (whichever is less) in each confined indoor space. In outdoor settings, the variance allows for 125 people.

Places of worship

Places of worship may open at 50% capacity, or 50 people per room inside or 125 people outside (whichever is less).

Gyms and indoor pools

Gyms may open at 50% capacity or 50 people per room inside (whichever is less). This applies to indoor pools. (Outdoor pools are addressed below).

Indoor retail malls

Indoor malls may open with a plan approved by Jefferson County Public Health. Contact HealthEPRRReports@jeffco.us for approval.

Outdoor recreation

Outdoor facilities like batting cages, outdoor pools and sports courts may operate at 50% capacity or 125 people (whichever is less). Athletic fields can open with up to 50 people per field.

Indoor and outdoor museums and educational experiences

These establishments, including the Denver Botanic Gardens at Chatfield Farms, Butterfly Pavilion, and similar establishments, may operate at 50% occupancy, or 50 people per room or 125 people outdoors (whichever is less).

Graduations

Graduations may occur with the approval of Jefferson County Public Health. Contact HealthEPRRReports@jeffco.us to request approval.

Golf course restaurants

Golf course restaurants may open following all restaurant guidance in the state's public health order. Pro shops may open at 50% capacity or 50 people per room (whichever is less).

Brew pubs, distilleries and similar establishments

These establishments may open without serving food but must follow all restaurant guidance in the state's public health order.

Additional businesses not specifically provided for in the state's order

Businesses not specifically included in the state's public health order may open in Jefferson County at 50% capacity.

IMPORTANT REMINDER

Industries addressed in Jefferson County's variance must also follow all requirements regarding health and safety precautions, as outlined in the [annotated public health order](#).
