

Dear Tier III Organizations,

SCFD's goal is to continue to support you to the best of our ability while staying true to our governing state statute to provide funding to "enlighten and entertain the public." **We will be sending updates regularly to keep you up-to-date with what you need to know and what you need to do.**

## WHAT YOU NEED TO KNOW

### OBSERVATIONAL STUDY SESSIONS

- All Counties will be undertaking observational study sessions for applicant organizations.  
**Interviews will no longer be taking place.**
- Study sessions are for observation only by the applicant. This is typical of funding panels.
  - If the Councils have a specific question for your organization that arises during your study session, you will receive an email from either SCFD Staff or a County Liaison asking you to address that specific question.
- Study sessions begin on 3/25/21 for Arapahoe County.
- Please click the 'observational study session schedule' button at the base of this page or go to the Tier III page (Grant Application section) for a link:
  - <https://scfd.org/grantmaking/funded-organizations/tier-iii/>
- Links to all Council meetings are located on the Grants Schedule Calendar:
  - <https://scfd.org/grantmaking/grant-schedule-calendar/>
- **DATES ARE SUBJECT TO CHANGE - Please check back regularly!**

## WHAT YOU NEED TO DO

### WHAT'S YOUR MAILING ADDRESS? WHAT'S YOUR PHONE NUMBER? PLEASE KEEP YOUR FLUX ORGANIZATION PROFILE UPDATED!

- Please ensure your phone number is in your profile.
- Upon a successful award, SCFD will be mailing checks again to organizations this year.
- Please update your organization profile with an accurate mailing address.

**Next Update: April 2021**
