

## Meet the new leadership of the SCFD

Since voters created the seven-county SCFD more than 30 years ago, the district has been overseen by an 11-member board of directors that ensures the district is delivering the value voters intended. Last year, the board oversaw the collection and distribution of about \$64 million to more than 300 organizations across the district.

This month, the SCFD welcomes two new board members.

## Engage with Us

### **New organizations join the SCFD each year**

Every year, organizations who are not currently part of the SCFD can apply to be eligible to receive funding. This process is the first step organizations take to become part of the SCFD funding family. Since voters conceived of the SCFD 30 years ago, the number of organizations supported by the district has grown to more than 300. [You can learn more about the process](#)

### **Onward and upward**

Please join us in wishing Heather Porter the best in her new endeavors as she leaves the SCFD family. Heather served as a program officer supporting the work of the county cultural councils in Douglas and Arapahoe counties as well as the overall work of the SCFD. Heather has taken a position at the Sturm Family Foundation. We will miss her contributions.
