Boulder County Funding Criteria

TYPES OF FUNDING AVAILABLE

1. GENERAL OPERATING SUPPORT (GOS): An unrestricted grant that helps the organization achieve its mission.

PLEASE NOTE: Organizations may NOT apply for both GOS and Project funding.

For General Operating Support, virtual attendance/activities from most recently completed fiscal year can be included to determine compliance. This is only for application year 2022.

To be eligible for general operating support (GOS) an organization must meet one of the following criteria:

1. demonstrate a minimum of 51% of 2019 activities (defined as programming open to the public, excluding rehearsals, private classes, invitation-only fundraisers, and board meetings) occur within Boulder County; **or**
2. demonstrate a minimum of 51% of total 2019 attendance occurs within Boulder County; **or**
3. be geographically located in Boulder County whose principal office address (as listed by Colorado Secretary of State) is within Boulder County.

Boulder County GOS grants will be capped at the lesser of (a) \$35K or (b) 20% of the organization's **fiscal year-end revenue from 2019**. Funding may be less depending on the funding allocated to Boulder County and the number of applications received.

Organizations should not provide a GOS monetary request on the application. Maximum award amounts will be calculated for each organization based on county guidelines.

2. PROJECT GRANT: A restricted grant given to support a specific event or connected set of activities that are unique to, and occurring within, Boulder County. The project must have a beginning and an end date, explicit objectives and a predetermined cost.

PLEASE NOTE: Available only to out-of-county organizations. Organizations may NOT apply for both GOS and Project funding.

For Project Grants, virtual programming will not be accepted. For hybrid programming, the project request budget can only reflect the in-person portion of the program.

A "project" refers to programming or activities held within Boulder County that benefit the citizens of Boulder County. A single project grant request and budget should be submitted which may cover multiple events and venues within Boulder County. We are seeking organizations offering unique projects and/or culturally diverse programming not provided by Boulder County organizations receiving GOS grants.

The maximum award is \$5,000. If the project includes activities in more than one county, the budget may be inclusive for all counties, but the percent of the total for each county must be specified.

EVALUATION PROCESS

For consistency in the evaluation process, the Boulder County Cultural Council uses specific criteria when scoring applications. We encourage applicants to review the 2022 Boulder County Scoring Criteria when developing applications which is available on the SCFD website.
