

Dear Tier III Organizations,

SCFD's goal is to continue to support you to the best of our ability while staying true to our governing state statute to provide funding to "enlighten and entertain the public." **We will continue sending updates regularly to keep you up-to-date with what you need to know and what you need to do.**

WHAT YOU NEED TO KNOW

OBSERVATIONAL STUDY SESSIONS

- All County Cultural Councils will conduct observational study sessions to discuss grant requests.
- Study sessions are for observation only by the applicant. This is typical of funding panels.
 - If the Councils have a specific question for your organization that arises during your study session, you will receive an email from either SCFD Staff or a County Liaison asking you to address that specific question.
- Please click the 'observational study session schedule' button below or go to the Tier III page (Grant Application section) for the link:
 - <https://scfd.org/grantmaking/funded-organizations/tier-iii/>
- Links to all Council meetings are located on the Grants Schedule Calendar:
 - <https://scfd.org/grantmaking/grant-schedule-calendar/>
- **DATES ARE SUBJECT TO CHANGE - Please check back regularly!**
