GETTING STARTED

SCFD receives submissions via an online system. Organizations must use the Fluxx online grants management portal to submit their Qualification Application/Certification Report. If you are having difficulties with the online report, please try using a different web browser (Chrome is recommended).

TO ACCESS

1. Go to the SCFD website for all instructions and to access Fluxx: <https://scfd.org/grantmaking/funded-organizations/tier-ii/>
Or click this link to go directly to the application: <https://scfd.fluxx.io>
2. Log into your Fluxx Account by inputting your username and password and click "Sign in".
If you do not remember your username or password, click "Reset or create password." You will be prompted for your email address. If your email address is registered to an active account in Fluxx, you will receive an email prompting you to reset your password.
If you do not receive a password reset email from Fluxx, your email address might not be registered in our system. Contact the SCFD office for assistance.
3. If you have forgotten your user login email, please contact the SCFD office. Do not create a new user account with a different email address as grants are associated with the email used when you first logged into the system.

Please Note: Each person who logs in on behalf of an organization will have their own user profile. Only one user can access the report at a time.

STAFF & ATTENDANCE

Please report the organization's overall attendance numbers for the most recently completed fiscal year. We are looking for actual numbers, *NOT* impressions.

For 2022: acknowledge meaningfully engaged virtual attendance based on the criteria below (general visitor, classes, workshops, etc.) including the location of online users based on their county of origin, to the best of your ability.

REMINDER: These numbers will not impact your funding for the 2022 cycle. SCFD still requires attendance numbers for grant compliance. Your 2022 funding has already been determined based on what was approved in 2020.

REMINDER: Account for a person's attendance in only one category:

- GENERAL VISITOR: Please account for all people attending or participating in programming, performances or exhibits. Do NOT include classes/workshops or school

events on this line. "Youth" includes anyone your organization classifies as a youth who buys a single ticket or attends an event.

- CLASSES AND WORKSHOPS: Attendance in Courses/Classes/Workshops is the number of people registered/enrolled. Do not include the person's attendance at each class. For example, if a person is enrolled in a five-day course and attends all five classes, that person counts as ONE enrollment, not five.
- SCHOOL INFORMATION: This attendance can be tied directly back to a school or home school. There is space for you to indicate both the number of children and adults served.

NUMBER OF SCHOOLS SERVED: Based on all the schools your organization provided programming for, count each school once - no repeats, and type the total into the field. If you do not work directly with public, private or home schools, enter a zero for the number of schools served.

SCHOOL DEMOGRAPHICS (Optional): If you have demographic data regarding school children served (gender, race, free lunch, etc.), please provide that information.

ATTENDANCE BY COUNTY: Please break down your total attendance by county, to the best of your ability. Fill in the chart with the number of attendees, not percentages. This is important information. Total attendance by county should match total overall attendance.

ATTACHMENTS

- To upload the FIVE required documents listed below, click on the blue + sign to the right of the required document. A new dialog box will open. Either select or drag files then start the upload.
- Each required attachment may be comprised of multiple documents, so upload it in its entirety as a single PDF document.
- As documents are uploaded successfully, the blue + sign will disappear, and the uploaded document will move to the Certification Documents box.
- School List must be in an Excel spreadsheet.

Required Attachments:

1. Most recent Annual Report (Optional) or Board/City Council List if the Annual Report is not applicable/available
2. Current Fiscal Year Budget
3. Key Staff List
4. School List (in Excel format) - include, at minimum, full name and county of each school served
5. Stories of interest, photos of programs, activities, or exhibits (limit to no more than three stories).

ASSURANCES

All applicants must complete the Assurances section. The authorizing official, who is named as the primary contact or primary signatory on the submission, is responsible for the content in each assurance statement. The authorizing official must read the completed submission and review all attachments before submitting.

REVIEW & SUBMIT

After you have completed all required report information, carefully proofread all content, ensure that all required attachments have been uploaded, all assurances have been answered then, click the "SUBMIT to SCFD" button.

WARNING: Once you click the “SUBMIT to SCFD” button you will not be able to change/correct any information!

IMPORTANT: If your submission was successful, you will see it in the “REQUESTS - Submitted Requests” section of the navigation menu of your grant portal. SCFD may review your submission and release your grant request back to you (prior to the deadline) if edits are required. It will then be located in the “REQUESTS - Requests to Edit” section of the navigation menu of your grant portal. Once your edits are made, resubmit before the annual submission deadline. There is no guarantee that SCFD will be able to review your submission.

REMINDER: Late/incomplete applications will not be accepted. SCFD recommends submitting your application as early as possible before the June 15, 2022 deadline.
