## Help us welcome Dan Brown to the SCFD Board of Directors

Dan was appointed to his first term by the Douglas County Commissioners effective March 1, 2022, through February 28, 2025. We all look forward to working with him over the coming years to make arts and culture in our seven-county metro area, and particularly his home county, Douglas County, even stronger.

Dan has been in the mechanical contracting industry for the past 40 years as a mechanical contractor and commercial mechanical equipment sales engineer. Mr. Brown is a third generation Coloradoan that first lived in north Denver in the Chaffee Park area before moving to Bear Valley where he graduated from High School. He earned his Bachelor of Science degree with honors in Business Management from Metropolitan State College of Denver.

Dan moved to Douglas County 25 years ago to raise his family and has stayed there as an active part of the community.
