

We Fund Culture.

SCFD

SCFD is the Scientific and Cultural Facilities District, a tax collected and distributed to nearly 300 cultural organizations in our seven-county Denver metro region. Culture creates vibrancy for us individually and collectively. It gives our kids a unique perspective and understanding of the world. It inspires all of us to get off the couch, discover the radical and the beautiful, and stretches our capacity to be transformed. Through our diverse, local culture, we come together, we come to new ideas, we come to our senses. Beginning with taxpayers and with the expert shepherding of the SCFD, our collective mission is simple: **We fund culture.**

Due to the pandemic total attendance in 2020 dropped to 9.4M, the lowest since 1997. However, organizations found creative ways to still connect virtually and most of it was free!

Attendance began to rebound in 2021 with just over 11M connections.
