Douglas County Funding Criteria

TYPES OF FUNDING AVAILABLE

GENERAL OPERATING SUPPORT (GOS): An unrestricted grant that helps the organization achieve its mission.

GOS is limited to organizations whose principal office is in Douglas County. *Organizations must demonstrate they serve and benefit Douglas County residents.* These organizations are encouraged to apply for GOS requests; they may also additionally apply for one project grant per the guidelines below. Those applying for GOS from Douglas County cannot apply for GOS in another county.

- If an organization has more than one location, please list all operational addresses.
- Not all organizations that apply for GOS may be funded, based on scores and funding available.

Grant requests should not exceed thirty percent (30%) of operating expenses. At the County's discretion, the Council may allocate more funding to organizations than the amount requested. This is acceptable if a majority vote of the Council deems it is appropriate and is in the best interest of the constituents of Douglas County.

GOS funding decisions for the 2025 grant application will be made using financials from the organization's most recently completed fiscal year.

For GOS, virtual attendance/activities for most recently completed fiscal year will not be included to determine compliance.

PROJECT: A restricted grant given to support a specific event or connected set of activities, with a beginning and an end, explicit objectives and a predetermined cost.

Eligible organizations may submit only one project request per funding period.

All activities for which funding is requested must be based in Douglas County or for events outside of Douglas County, applicant must prove that 51% of attendance is from Douglas County residents.

Grant requests should not exceed forty percent (40%) of the total project cost. Project funding may not exceed 100% of the requested amount.

For Project Grants, virtual programming will not be accepted. For hybrid programming, the project request budget can only reflect the in-person portion of the program.

EVALUATION PROCESS

For consistency in the evaluation process, SCFD has implemented universal scoring criteria which will be used by all cultural councils. We encourage applicants to review the new scoring criteria on the SCFD [website](#) when developing applications.
